Re: Reimbursement List for Classes ending February 1, 2003

Dear Dr. Cohn:

I am glad to inform you that we have successfully completed another quarter of CBEST Prep Course as of February 1, 2003. Please find the enclosed list of those who have attended 80% of the course and are eligible for the \$100 reimbursement.

Last Saturday (Feb. 15) we started another prep course with a group of 17 participants.

According to our records, 13 students have successfully passed all three sections of the CBEST test so far. Other students who reported to us have demonstrated a successful rate of 90% passing two sections, and they are still trying hard to pass the last section. Can we refer those successful candidates to your office in order to secure possible teaching positions in the county?

I'd love to thank you for your continual support in our joint efforts to solve the teacher shortage problem in the county.

To Love Is To Teach!

Best regards,

Tonson Man
